Fresh Nation Farmers' Market Home Delivery

Norwalk Community College has negotiated special rates and discounts to encourage you to make fresh, local food an integral part of your and your family's diet. Fresh Nation will offer a 25% discount on your first order (use code NCCLOCAL1 at check out) and a 10% discount on all subsequent orders (use code NCCLOCAL2 at check out), plus free delivery if you have your order delivered to your office in Norwalk (the regular fee for delivery to your home in Fairfield or Westchester counties is \$5.95). There is a \$25 minimum order amount. The benefits of eating fresh, local food are well documented. Because it is so fresh, the food is more nutritious and flavorful and can promote weight reduction and a healthier lifestyle. If you would like to check it out log onto www.FreshNationAtHome.com to see the range of fresh, local food, available five days each week from Wednesday through Sunday. Any questions? Contact a representative at info@freshnation.com or call (203) 661-1246.

Work, the Workplace, and the Mental Health of Workers

Work is a strong driver of health and well-being. Work can provide meaning in people's lives and resources to care for one's family, provide proper housing, and access to medical care. Similarly, the work environment— both the physical and psychosocial environment— can have a major impact on the physical and mental

health of workers. [https://journals.lww.com/acsm-healthfitness/citation/2023/05000/work, the workplace, and the mental health of.14.aspx](https://journals.lww.com/acsm-healthfitness/citation/2023/05000/work_the_workplace_and_the_mental_health_of.14.aspx)

Body Breaks can be done at your desk!

A 4-week program to get our faculty and staff moving more and sitting less. It is an exercise plan that can be done at your desk or in the comfort of your home. Check out the videos here to get started.
