The Building Efficiency and Sustainable Technology (BEST) Certificate Program is an 8 course undergraduate program that prepares students for new “green collar” jobs in building efficiency, sustainable building and renewable energies. The program focuses on building science, building new sustainable structures, and using alternative and renewable energy sources.

**FOR MORE INFORMATION ON THIS GREEN JOBS EVENT OR THE BEST PROGRAM,  
CONTACT ERIC GRIBIN AT 203.857.7345 OR [egribin@ncc.commnet.edu](mailto:egribin@ncc.commnet.edu)**

This program is funded in part by a grant from the U.S. Department of Labor through the SOAR Energy Initiative. SOAR is an equal opportunity program. Auxiliary aids and services are available upon request to individuals with disabilities.
