Major Codes – Pathway Transfer Degree Programs

CSCU Transfer Tickets

Degree programs that transfer seamlessly between CSCU institutions

The Connecticut State Colleges and Universities (CSCU) system has developed Transfer Tickets to provide pathways to a four-year degree. Transfer Tickets are degree programs for Connecticut community college students that easily transfer to Connecticut State Universities and Charter Oak State College.

Upon graduation from NCC, students are guaranteed full junior status at a four-year institution that is part of the CSCU system. They can complete a bachelor’s degree in their major with the assurance they will not lose any credits or be required to take any extra credits. (Select programs may have additional admission requirements.)

Students choose a transfer degree program just as they would a major field for an associate degree, but take only the courses that apply to both the major’s associate degree and its bachelor’s degree.

Transfer Tickets are available in the following majors, and new ones will be added each year: Art, Biology, Business Studies, Chemistry, Communication, Criminology, Early Childhood TC, English, Exercise Science, French, German, History, Italian, Mathematics, Physics, Political Science, Psychology, Social Work, Sociology and Spanish.

To learn more about CSCU’s Transfer Tickets, visit www.ct.edu/transfer. An interactive guidance system will walk you through the program.

To register for a specific Pathway Transfer degree program, please use the Banner Program Codes listed below. Students should contact their advisor for information regarding transfer credits in specific programs.
