Founded in 1961, Norwalk Community College (NCC) was the first public, two-year college established in Connecticut. The institution offers over 50 Associate Degree and over 20 Certificate programs. NCC provides a broad range of credit and non-credit programs leading to transfer, employment and lifelong learning.

Norwalk Community College is the southwest Fairfield County leader and partner in the academic, economic and cultural lives of our communities, providing comprehensive, accessible, innovative and affordable learning opportunities to diverse populations.

NCC is accredited by the New England Association of Schools and Colleges. In addition, many individual programs are accredited by national professional associations including the Nursing, Respiratory Care and Engineering Technology curricula.
Norwalk Community College aspires to create a culture of inclusion and excellence through intellectual inquiry, open dialogue, multicultural awareness, and lifelong learning. By embracing the diverse needs of our students, faculty, staff and community, the college strives to provide an environment in which individuals are empowered to achieve their highest potential.

NCC Vision Statement
Norwalk Community College

Points of Distinction
NCC is ranked second nationwide in Lowest Student Default Rate, and third nationwide in Best Career Outcomes, by WalletHub.com’s “2016 Best and Worst Community Colleges” study.

A review of the nation’s Top Online Colleges 2016 by OnlineColleges.com ranks NCC second in Connecticut, and in the top 15th percentile of colleges nationwide in online learning.

The college has received a $2.3 million Title V Grant from the U.S. Department of Education’s Developing Hispanic-Serving Institutions Program to expand and enhance academic offerings and programs through 2021.

The U.S. Department of Education named NCC a 2016 Dual Enrollment Experimental Site for a financial aid pilot program for high school students enrolled in college courses.

The college was named a 2016 Top College for Veterans by the Military Advanced Education Transition Guide.

NCC is a founder of the Norwalk Early College Academy, the state’s first Pathways in Technology model school. The six-year academy for grades 9-14 is a collaboration between NCC, IBM and the Norwalk Public Schools. Students graduate with a high school diploma and no-cost Associate Degree from NCC.

NCC is one of 100 schools across the U.S. named as a White House Healthy Campus for its efforts in publicizing Affordable Care Act open enrollment.

Campus Resources
NCC is situated on 30 acres in suburban West Norwalk. It features two academic buildings which comprise the East and West campuses, located across the street from each other.

The college’s Center for Science, Health and Wellness contains classrooms and laboratories, the Pitney Bowes Wellness Center, and a Hospital Simulation Unit with the most advanced computerized Sim-Men teaching mannequins in the state.

Other resources include a Film and TV Production Studio, Culinary Arts complex, Child Development Laboratory School, Career Center, Theater, Library, Student Success Center, Veterans Lounge and Multicultural Center.

NCC houses a large and valuable art collection and presents several exhibitions each year.
