Work through each section, completing all requests for your input. You **MUST** save occupations and areas of study (majors) that you’re interested in or no information will appear in your portfolio!

Contact the Career Development & Experiential Learning Center at careercenter@norwalk.edu to schedule an appointment with a career counselor to discuss your results.

How much time does it take to use FOCUS?

Typically, the total time spent by students the first time they use the program ranges from 1 to 2 hours. Working through the program does not have to be done in one sitting. You can log back in at any time.

Use on your phone, tablet, or any device.
