**Location:** USA:CT:Wilton

**Category:** Nursing

**Employment Type:** Employee

**Post Date:** 03/18/2022

## Description

**\$5,000 - Sign-On Bonus**

Full-time RN opportunity with Nuvance Health Medical Practice in our Endocrinology Office in Wilton, Connecticut.

Nuvance Health has a network of convenient hospital and outpatient locations — Danbury Hospital, New Milford Hospital, Norwalk Hospital and Sharon Hospital in Connecticut, and Northern Dutchess Hospital, Putnam Hospital Center and Vassar Brothers Medical Center in New York — plus multiple primary and specialty care physician practices locations, including The Heart Center, a leading provider of cardiology care, and two urgent care offices. Non-acute care is offered through various affiliates, including the Thompson House for rehabilitation and skilled nursing services, and the Home Care organizations.

### Summary:

To assist the physician or physician assistant in providing primary medical care to the patients of the Office Practice.

### Responsibilities:

1. Prepares materials, supplies, equipment and the patient to assist the physician or the physician assistant with the patient's medical exam.
2. Obtains the patients history and basic medical data such as vital signs, temperature, height and weight, vision and chief complaint.
3. Provides direct patient care, such as ear irrigation, vaccinations and medications, wound care and suture removal.
4. Collects, prepares and analyzes patient specimens as directed by the physician or physician assistant.
5. Instructs the patient and family on how to perform physician recommended preventive care, take prescribed medication, prepare for tests, monitor treatment progress and note symptom changes.
6. Contacts the patient by telephone to provide requested follow-up, advise them of test results or relay a physician's instructions.
